

Are You Ready for the CSU?

GET OFF TO A GOOD START

Improving your math and English skills is one of the most important things you can do to get ready for the CSU. The CSU has developed two websites to help you prepare.

MATH SUCCESS: www.csumathsuccess.org

PLAN FOR SUCCESS

Many students need to take the Entry Level Mathematics (ELM) Exam and the English Placement Test (EPT) in order to avoid enrolling in non-credit remediation courses at the CSU. Now that you are a senior, the time to begin preparing for these exams is now!
